

Purpose: Employees should use this form to designate or make changes to the beneficiaries of their Group Insurance death proceeds.

Effect of Completed Beneficiary Designation:

- The information on this form will replace any prior beneficiary designation.
- This designation is only valid if completed, signed and on file with the Employer/Group Administrator prior to the Employee's death.
- You may name anyone or any entity as your beneficiary, except the policyholder, and you may change your beneficiary at any time by completing a new Beneficiary Designation form.
- If there is no named beneficiary, or the named beneficiary predeceased the insured, settlement will be made in accordance with the terms of your certificate of coverage.

PLEASE COMPLETE SECTIONS 1 AND 2, AND IF APPLICABLE, SECTION 3. PRINT, SIGN AND DATE THE FORM AND RETURN TO YOUR EMPLOYER/GROUP ADMINISTRATOR.

Section 1 - Employee Information

- All information in this section is required.

Section 2 - Designations

- The designations will apply to ALL coverages offered under the Employer's group plan.
- This form allows you to name up to five primary and five contingent beneficiaries. If you need additional space, please attach a separate sheet of paper.
- **Designation of Percentages:** You are not required to list specific percentages.
 - If you designate percentages, the total for all primary beneficiaries must equal 100% and the total for all contingent beneficiaries must equal 100%.
 - If no percentages are specified, the proceeds will be split evenly among those surviving named primary beneficiaries, and if none, then those surviving named contingent beneficiaries.
 - If there is no named beneficiary, or the named beneficiary predeceased the insured, settlement will be made in accordance with the terms of your certificate of coverage.
- **Primary Beneficiaries** are those who will receive the benefits in the event of the Employee's death. In the event that a designated primary beneficiary predeceases the insured, the proceeds will be paid to the remaining primary beneficiaries in equal shares or all to the sole remaining primary beneficiary.
- **Contingent Beneficiaries** are those who will receive the benefits if no Primary Beneficiary is living at the time of the Insured's death. In the event that a designated contingent beneficiary predeceases the insured, the proceeds will be paid to the remaining contingent beneficiaries in equal shares or all to the sole remaining contingent beneficiary.
- **Specific Designations:**
- You can name an individual, corporation/organization, trust, or an estate as a beneficiary. The following examples may be helpful in designating beneficiaries:
 - **Trust as Beneficiary Designation** can be done by using the following written statement for a living trust: "To [name of trustee], trustee of the [name of trust], under a trust agreement dated [date of trust]." If you wish to designate a testamentary trust as beneficiary (i.e. created by will), you should recognize the possibility that your will which was intended to create a trust may not be admitted to probate (because it is lost, contested or suspended by a later will). Claim payment delays can result if the beneficiary designation does not provide for this situation. At the time of claim, proof of the existence of the trust, W-9 for the trust and trustee information will be required for payment of benefits to the named trust. **
 - **Minors as Beneficiary Designation** can be done by using this document. However, please note if your beneficiary is a minor at the time of claim, payments may be delayed due to special issues raised by these designations. **
 - **Dependent Beneficiary** - In the event dependent benefits are payable, the employee is the beneficiary and may not be changed by this designation.
 - **Foreign Beneficiary** – If a named beneficiary is not a U.S. Citizen, a U.S. resident alien or other U.S. person for tax purposes, they will be required at the time of claim to complete form W-8BEN. Knowing that this information is needed and should be submitted with a claim will help expedite the processing of any benefits due. In addition, please make sure that the address and contact information is up to date.

**You may want to obtain the assistance of an attorney to help consider any special circumstances before drafting your beneficiary designation.

Signature – Please make sure the employee's signature is recorded and dated. If the signature is based on power of attorney or as guardian, provide the documentation providing authority for the signatory to act on behalf of the Employee. Acceptance of the form by an Employer or Group is not acceptance that the signatory is authorized to make changes to beneficiaries.

Section 3 - Community Property

- If you are married, review the Community Property Section to determine if your spousal consent for the designations should be obtained.

It is important to keep your beneficiary designation up to date. Please make sure you have reviewed all three sections and make a copy for your records before delivering the form to your Employer/Group Administrator.
